From the Assistant Principal

Asalaam Alaikum Wa Rahmat Allah Sisters and Brothers,

I want to take this opportunity to show our appreciation in cooperating with us as we continue to find ways to ensure the best safety practices for our children.

In the coming month we are given a chance to share with you, the families in the virtual sense. Even though COVID has prevented you from coming into the class, we would like to share the progress your child has been making. A schedule will be sent out in the near future, please find time to discuss with your child's teacher the progress she/he is making.

Benefits Parent/Teacher Conferences:

- to learn more about your child's academic, emotional and social development
- get to know your child's teachers
- help your child's teachers understand more about your child
- make plans with the teacher about how you can both support your child

Questions you might have about:

- What are my child's interests and strengths?
- What does my child struggle with?
- What can I do at home to help my child with schoolwork?
- What can you tell me about my child's behaviour in class?
- How is my child getting along with other students?
- What support services are available for my child at this school?

Insha'Allah we will continue to work as a partnership for the sake of Allah and our children.

From the Islamic Coordinator:

روى عثمان رضي الله عنه عن النبي صلى الله عليه وسلم قال : (خيركم من تعلم القرآن وعلمه) رواه أبو داود والترمذي. ومن تأمل هذا علم أن خير الناس من عاش مع القرآن متعلماً ومعلماً

ومعنى هذا أن خير الناس من أقبل على تعلم القرآن حفظاً وتلاوة وتدبراً، وعلمه غيره حفظاً وتلاوة وتدبراً، وهذه الخيرية مطلقة لأنها تتعلق بكلام الله، وخير الكلام كلام الله ، والجامع بين تعلم القرآن وتعليمه مُكَمَّل لنفسه ولغيره

Othman (RA) narrated that the prophet (PBUH) said: **“the best amongst you is the one who learns the Quran and teaches it.”** Also narrated by Abu Dawood and Tirmithi. If we all think about this we would come to the realization that the best of people are those that live by the Quran as they recite it, memorize it, and understand it. As well as taking it a step further and teaching others to recite it, memorize, and understand it. This hadeeth should be lived by as it encourages us to live by the words of Allah, the Quran.

Jazak Allahu Khayran
