VISUAL ART 10, 20, 30

Mr. Mark Muilwijk // mark.muilwijk@islamicacademy.ca

It has been my sincere pleasure to teach all of you: two large classes full of excellent artists. My apologies if I haven't been able to give you as much individual instruction as you may have wanted. My aim was to teach you techniques and have you create a few larger projects you can hang on the wall, and I'm happy with the results I've seen in both areas. I'd like to hold on to your artworks for a while, and hang them up to inspire the students in future art classes, but before you graduate you are for sure allowed to take home any and all of your artworks. They're yours. Good work everyone!
